## General Comment

Please do not pass this rule.

I have taken the time to learn proper options trading. The use of selling puts or covered calls has grown my retirement account. The selling of puts and covered calls has reduced risk in my retirement account portfolio by allowing me to either earn income or be assigned a stock at a price I am willing to pay, which is lower than the given price of stock on the day the option is traded.

PLEASE DO NOT PASS THIS BILL. LET US REDUCE OUR OWN RISK IN THE MARKETS VIA TRADING OPTIONS.
